Dear Ms Friday

RE: Gender Affirming Care

Thank you for your correspondence dated 4 November 2024 to the Minister for Health and Wellbeing regarding the implementation of the Statewide Gender Diversity Model of Care (MoC). The Minister has asked that Women's and Children's Health Network (WCHN) respond directly to your correspondence.

WCHN has implemented the MoC across its Gender Diversity Service since release in 2023. WCHN are currently undertaking a review of the implementation to ensure care provided is in line with the MoC and is the best evidence-based care for young people attending the service.

It is expected this review will be completed by early 2025 with any outcomes impacting the overarching MoC to be shared with the Minister and the Department for Health and Wellbeing.

Should you require any further information please feel free to contact Adie Gibbons via email Adie.Gibbons@sa.gov.au.

Thank you once again for your correspondence and I hope this information is of assistance.

Yours sincerely
